for exciting educational activities

TO GET THE MOST OUT OF A MUSEUM VISIT - please bear the following in mind:

- Book in advance. Be on time.
- Please remember to bring your Reference Number with you.
- Late arrival can lead to the cancellation of your lesson as it may inconvenience the next class.
- Educators are responsible for the discipline of their classes and are expected to accompany, supervise and control the learners at all times during a visit to the Museum.
- Educators must ensure that learners behave appropriately in the Museum: no running, shouting or playing games in the Museum is allowed – learners should not do anything to endanger themselves or spoil the enjoyment of the Museum by other visitors.
- Climbing onto animals is not allowed and no specimens, objects or artefacts may be touched.

GUIDED TOURS OF THE MUSEUM
